.fm - Federal States of Micronesia **Micronesian .FM domain name registrar**

.FM is the extension to register a domainname for Federated States of Micronesia. SecureOnline is official member of DOTFM. We can register, transfer or change your .FM domainname quickly and efficient.

Who can register a .FM domainname?

Everyone in the world can register an .FM domainname.

.FM registration requirements

Minimum 3 characters. Maximum 63 characters. At least one character has to be in the domain name (not only numbers). You can't start or end a .FM domainname with a ("-") sign. And a ("-") can't be in the third or fourth position.

Additional .FM information

Minimum registration period:	1 year
Transfer policy:	The transfer costs include a renewal of the domain. The registration period will change, 1 year renewal will be added to the original expiry date.
Redemption period:	After deleting/expiring of a domain of this type, the domain will enter into a redemption period of 30 days. After this the domain will enter into a pending delete state for 5 days, after which it will become available for registration. During the redemption period, the domain can be restored by us. The costs for this procedure are USD 100,-
Contract required?	No
